# Areas of activities

## Hospitality

Assist in welcoming all spectators and stakeholders, including athletes, media and delegations, and make sure everyone receives a warm welcome.

## Sports Competition

Offer your support at competition venues and practice centres during Games Time, so that athletes can perform at their best.

## Event Operations

Contribute to a variety of tasks, making sure organizational processes run smoothly, and see behind the scenes of a world-class event.

## Languages

Put your language skills to the test to ensure that spectators and stakeholders from all over the world have an incredible time.

# Training

An opportunity to learn something more

## ORIENTATION

Courses on Olympic and Paralympic, inclusion and human rights, accessibility, venue and sports

## ROLE SPECIFIC

You know more about your role in relation to the function you have been assigned to as a volunteer.

## VENUE SPECIFIC TRAINING

You will be trained in venue so that you can get acquainted with the areas and the activities.

Get ready with us and feel confident while performing your activity

**COMPULSORY >> HEALTH & SAFETY: General (module 1) + Specific (module 2).**

# *BE THE HEART OF THE GAMES*

**A diverse, international team that will enrich your experience through meaningful and inspiring connections**
